Carter H. Harrison has been re-elected Mayor of Chicago by an overwhelming majority.

Zybacho is neither a Kentucky Normal College yell nor a new break fast food. He's a wrestler.

We yield the harem skirt to the other sex, but will continue to scratch our matches in the usual way.

The western Read who sought to stand in the face of the storm of sentiment in favor of Governor McCreary, has yielded to the blast.

Governor Willson declares "that if Judge O'Rear is nominated by Kentucky Republicans the party will surely go down in defeat."
Or any other man.

We observe that Boston editors persist in saying "politics are" and, perhaps in Boston, politics are. By the way, is "molasses are" too?—Sharpsburg World.

No, they isn't.—Mt. Sterling Gazette.

But cabbage are.—Cynthiana Democrat.

Measles ain't.

O'Rear and anti-O'Rear factions in Kentucky Republicanism reached a compromise, when the Republican State Central Committee met in Louisville, and selected July 11 as the date for nominating a state ticket. Mass conventions for the naming of delegates to this convention will be held in the various counties July 8.

After a discussion of the Caleb Powers case by the nine Democrats in the Kentucky delegation it was decided by a majority of the caucus that there was no constitutional right in Congress to prevent the swearing in of Powers as a member holding the credentials of the Eleventh district, and for that reason it was determined that no action should be taken by the delegation.

These nine Congressmen refused to be sworn in with Powers. Langley took the oath along with him.

The following are some Congressional committee assignments:

The desks in the school have been planned, sandpapered, cleaned and waxed by the boys and girls. They now look like new desks. Years ago the desks had been badly damaged by cutting and defacing. I am glad our boys and girls wish to take good care of the furniture instead of doing damage to it. I take this opportunity to publicly thank them for the improvement they have made.

J. B. MCCLURE.

DOING THEIR DUTY.

Scores of Louisa Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty.

When they fail to do this the kidneys are sick.

Backache and many kidney ills follow.

Urinary trouble, diabetes.

Doan's Kidney Pills cure them all.

Louisa people endorse our claim.

Mrs. Fred Picklesimer, of Louisa, Ky., says: "One of my neighbors first brought Doan's Kidney Pills to my notice, but I did not take them until I was in a miserable condition and almost beyond being cured. However, I was pleased to note that they went at once to the seat of my trouble. The pains disappeared from my back, that dull, bearing-down ache through my legs was removed and the kidney secretions became natural. I cannot praise Doan's Pills too highly."

For sale by all dealers. Price 50c.
